

## Mrs Woody starts to come out

Whilst Mick was showing us all how to make a bottle top in double quick time Nick started the club on a new venture.

The working drawing of 'Woody', (our mascot at shows), was laid out so all could see it.

"The club is going to make a companion for Woody".

A companion, well sort of, as we will use the original template and just change the clothes. Hopefully we will make it look like a "Mrs Woody "

So here is the turning list (so far)

Legs	Steve Jennings	Upper arms	Richard Hill
Lower arms	Paul Fryer	Toes	Dave Sims
Hip joints	David Haynes	Hands	Mike Sharman
Fingers	Paul	Dress	Helen
Feet	Nick		

Head will need some input from everyone.

Nick will obtain the timber where it needs to match for various exposed parts.

Further discussion next meeting

## Christmas Social

The post Christmas Social will be held on Saturday evening 14th January.

At our November meeting the committee must know numbers, are you joining the festivities and will you be bringing someone? Mary used to organise things but, having moved to Wales, that is no longer possible. Raffle prizes, “best in show” and food details will be made known later.

In the meantime Mick was making a bottle stopper:
