Club Shop	Nick Milton	01926 777961
Editor Dave Mason	01295 660508	davemason9@talk21.com

November 2009

The **November meeting** will feature a demonstration by Viv Harvey.

The Hands-on session in the **October meeting** had us making napkin rings and bottle coasters, while onlookers gave helpful advice and generally made merry.

Once the napkin rings were rough turned, then bored out using a Forstner bit. Make sure you go far enough into the end of the wood or you will be laughed at later.

Then mark out the high and low points on the profile, and also the diameter at the outer end of the napkin-to-be. Then start profiling.

This particular napkin rings will have a pair of narrow grooves on the raised sections to let in a row of beads on each. The beads are glued into position using superglue. Each length of beads is cut one bead too long, as they will be scrunched up as they are glued on.

Missing Video Camera

It seems that our video camera has gone missing; last seen at Bob Fox's Pen turning demo in June. If anyone can shed any light on where it may have got to, please let us know.

January Social Event of the Year

Please remember that volunteers are required for help out at the Social evening. Talk to Sue Smets (01926 316627) if you can help. Oh go on - The rates of pay are extraordinary!

Looking ahead to the AGM in March

The next AGM will see the standing down as Chairman, Vice-Chairman and Secretary of John, Roger and Mary. These positions will need to be filled for us to continue, so please look into your hearts and consider filling one of these positions.
