Open Evening

Thanks to everyone who helped set up and demonstrate at this year's open evening - some pictures below of some great work – thank you. There was publicity on a few online sites and posters put up in a few relevant places but perhaps not the greatest footfall on the evening. However, we do have one new member – welcome Alan.

One of our oldest members stands guard over a great array of members' work.

Some works in progress.

With pentacular results!

This is how the off-centre piece
'turned out' on the evening.

Forthcoming Club Meetings

Please note that Andy will not be at the October meeting so payments will not be taken on that evening but those attending will be asked to pay in November instead. A raffle will be held as normal.

Meetings normally are on the first Thursday in the month except when there are elections. Meetings start at **7pm** in Offchurch Village Hall.
